ABOUT

Please join us for our Virtual Special General Meeting where we will say goodbye to 2020 and welcome in 2021. Sadly, we cannot meet in person this year but we still want to show our appreciation to all of you, the members. Therefore, after the business portion of the meeting, attendees will receive a special gift and you will all be able to engage in great conversation.

Please ensure to sign into the meeting at least 15 minutes prior to start, in case you encounter technical difficulties and require assistance.
