## **Board of Directors' Workshop:** **Getting Management & Governance Right**

Saturday, March 20, 2021  
1:00 - 5:00 PM Online

## ABOUT

This workshop focuses on the board's role in Management and Governance. It is a great way to introduce board members to their position or to inform potential candidates of what is involved. It can also be a refresher course for those who have been around for a while. It will provide some practical ideas to help boards, members and staff work effectively together.

It is an excellent opportunity for members who currently serve on committees and members who want to become involved to learn more about how the board functions. It is a secure stepping stone for future involvement on the board.

Core management standards will also be reviewed during this workshop and we will talk about how your co-op can get the desired results from:

- Good Governance
- Sound Management
- Building an Open and Healthy Community
