HOW TO REGISTER

In an effort to limit paper usage and reduce our environmental impact, SACHA has moved towards online event registration. Visit the link below to register; each person attending must be registered separately:

After registering, you will receive a confirmation email containing information about joining the session. The meeting package will be shared closer to the event. If you do not have online access to use this link, please contact SACHA's office via phone or email to register.

Please contact your co-op's office or Board to review their policy on funding and the registration process. Most co-ops have an education budget that allows the co-op to pay for member training and education. Your co-op will submit the registrations to SACHA. Individual members can pay for their own registration, if their co-op does not have funds available. Payment will be requested via invoice after the event.
